Landscaping

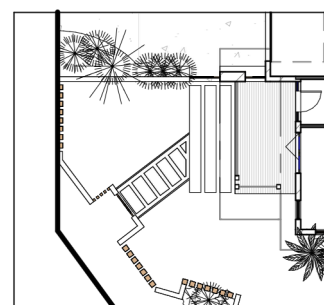

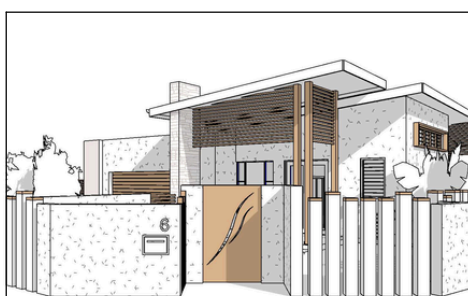

- Enhances journey in
- Planting softens the view of garage door

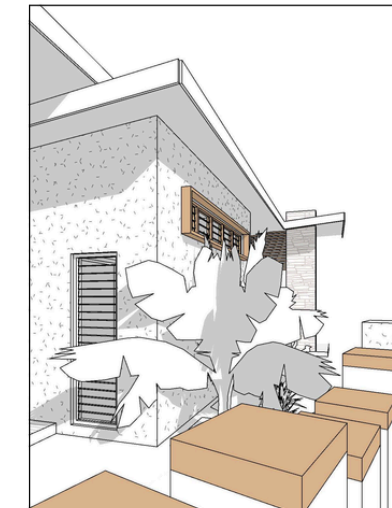

- ### Semi-open fence
- Facade feature
 - Provides street surveillance from inside

- ### Pedestrian entry
- Entry separate from garage
 - Provides journey through garden
 - Great corner feature - visible when driving in from Oceans Edge Blvd
 - Optional gate for a prestigious presence

GATE OPTION

- ### Planting to take advantage of wall space. Visible from street through semi-open fencing in the gated version

Facade Notes

Screening plants

Block fencing with recessed planting. Creates interest from street whilst providing privacy.

Potential landscaping feature / hideaway in this space. Can provide additional privacy from street.
